ENG.10.2.S4		ask for permission and make polite requests
ENG.10.2.S5		discuss using technology to learn and give reasons
ENG.10.2.S6		use question tags to check information when speaking

Book alignment

Theme	AbOnlinEnglish's Theme 2 material covers classroom activities, learning styles, and learning with technology, matching the topic scope of the book's Theme 2 (TYMM Ünite 542) with fully original content.
Outcome	24 original outcome statements were written for this theme's listening, reading, speaking, writing, grammar, and vocabulary goals, matching the book's outcome scope without copying its wording.
Vocabulary	24 original words matching the classroom-life and learning-style topic scope of Theme 2, taught through original example sentences, not the book's own text.
Grammar	Three original grammar entries cover future forms, advice/obligation with question tags, and pronouns/can/might, matching the grammar scope of the book's Theme 2 with fully original explanations and examples.
Reading	Two original reading passages (180-320 words) on classroom activities and learning styles were written at B1.2 level, not copied from the book.
Listening	Two original listening scripts — a project-planning dialogue and a study-tips monologue — were written to match the book's Theme 2 topic scope.
Speaking	Two original speaking tasks were designed around learning-style interviews and classroom technology rules, matching the theme's communicative goals.
Writing	Two original writing tasks were designed for describing a learning style and giving study tips, matching the theme's writing goals.
Assessment	An original review set and a four-skill test with vocabulary, grammar, reading, and listening sections were written to assess Theme 2 outcomes without reusing book material.
