

Lesson Plans

Lesson 1 · Body Parts and Common Illnesses (40 min)

Target language: headache, sore throat, cold, fever, stomachache, cough, shoulder, wrist, ankle, chest

Materials: Vocabulary cards, Board, Projector

1. **5 min** Warm-up: elicit known body part words from students. (T-S)
2. **10 min** Present new body part and illness vocabulary with flashcards and example sentences. (T-S)
3. **15 min** Pair matching activity: match illness words to symptoms. (Pairs)
4. **10 min** Quick oral drill: students say a body part/illness word and a partner gives an example sentence. (Pairs)

Assessment: Teacher monitors pair work and checks vocabulary use.

Support: Provide a word bank with Turkish translations.

Core: Students complete the matching task independently.

Extension: Students add two extra illness words they already know.

Homework: Match five vocabulary words to their Turkish meanings.

Lesson 2 · Talking About Symptoms and Giving Advice (40 min)

Target language: should/shouldn't for advice

Materials: Role-play cue cards, Board

1. **5 min** Warm-up: review illness vocabulary from Lesson 1. (T-S)
2. **10 min** Introduce should/shouldn't for advice with example sentences. (T-S)
3. **15 min** Guided practice: students give advice for illness cue cards in pairs. (Pairs)
4. **10 min** Short role-play: patient and doctor dialogue. (Pairs)

Assessment: Teacher listens to pair dialogues and notes correct should/shouldn't use.

Support: Provide sentence starters: 'You should...' / 'You shouldn't...'

Core: Students create their own short dialogue.

Extension: Students add a follow-up question in their dialogue.

Homework: Write five sentences using should/shouldn't for health advice.

Lesson 3 · Grammar Focus: Can/Could for Ability (40 min)

Target language: can/could for present and past ability

Materials: Grammar handout, Board

1. **5 min** Warm-up: students say one thing they can do well. (T-S)
2. **10 min** Present can/could for present and past ability with example sentences. (T-S)
3. **15 min** Complete and build practice from the grammar section. (Individual/Pairs)
4. **10 min** Speaking mingle: ask classmates 'Could you... when you were younger?' (Whole class)

Assessment: Teacher checks handout answers and monitors mingle activity.

Support: Provide a list of ability verbs to choose from.

Core: Students complete all practice items accurately.

Extension: Students write two extra sentences comparing past and present ability.

Homework: Complete three can/could/should sentences from a word bank.

Lesson 4 · Well-Being: Daily Habits (40 min)

Target language: well-being, habit, diet, exercise, rest, stress

Materials: Board, Handout

1. **5 min** Warm-up: brainstorm what 'well-being' means. (T-S)
2. **10 min** Present well-being vocabulary with example sentences. (T-S)
3. **15 min** Students complete a short habits questionnaire about themselves. (Individual)
4. **10 min** Pair discussion comparing habits using the questionnaire. (Pairs)

Assessment: Teacher monitors questionnaire discussion for accurate vocabulary use.

Support: Provide simple example answers for the questionnaire.

Core: Students complete the questionnaire and discuss it fully.

Extension: Students suggest one way to improve a classmate's habit politely.

Homework: Write a short paragraph about your daily habits and well-being.

Lesson 5 · Reading: Small Habits, Big Difference (40 min)

Target language: reading for main idea and detail

Materials: Reading text r1, Board

1. **5 min** Pre-reading: discuss the before-reading prompts. (T-S)
2. **15 min** Silent reading of the text, then check general understanding. (Individual)
3. **15 min** Answer comprehension questions in pairs. (Pairs)
4. **5 min** Whole-class check and after-reading discussion. (Whole class)

Assessment: Teacher checks comprehension question answers.

Support: Pre-teach two difficult words before reading.

Core: Students answer all comprehension questions.

Extension: Students summarise the text in two sentences of their own.

Homework: Answer two extra comprehension-style questions about the text topic.

Lesson 6 · Grammar Focus: Future Forms (Mixed) (40 min)

Target language: will, be going to, Present Progressive, Simple Present for future

Materials: Grammar handout, Board

1. **5 min** Warm-up: elicit known future forms from students. (T-S)
2. **15 min** Present all four future forms with notice sentences and rule explanation. (T-S)
3. **15 min** Complete and build grammar practice tasks. (Individual/Pairs)
4. **5 min** Quick check: students choose the correct future form for teacher prompts. (Whole class)

Assessment: Teacher checks handout accuracy.

Support: Provide a simple chart comparing the four future forms.

Core: Students complete all practice items.

Extension: Students complete the challenge items.

Homework: Make three predictions about the future using different future forms.

Lesson 7 · Listening: At the School Health Room (40 min)

Target language: listening for gist and detail

Materials: Listening script l1, Board

1. **5 min** Pre-listening: discuss the pre-listening prompts. (T-S)
2. **10 min** First listen for gist: what is the problem? (Individual)
3. **15 min** Second listen: answer detailed comprehension questions. (Individual/Pairs)
4. **10 min** Post-listening discussion and role-play practice. (Pairs)

Assessment: Teacher checks listening comprehension answers.

Support: Provide the transcript for weaker students during the second listen.

Core: Students answer all listening questions independently.

Extension: Students write one extra line of advice for Ali.

Homework: Write a short note giving health advice to a friend.

Lesson 8 · Writing: Health Advice Note (40 min)

Target language: should/shouldn't in writing

Materials: Writing task w1, Checklist

1. **5 min** Review should/shouldn't structures from earlier lessons. (T-S)
2. **10 min** Plan the note together as a class using the planning steps. (Whole class)
3. **15 min** Students write their own health advice note. (Individual)
4. **10 min** Peer-check using the writing checklist. (Pairs)

Assessment: Teacher collects notes and checks against the checklist.

Support: Provide a partially completed model note to adapt.

Core: Students write a complete note of the target length.

Extension: Students add an extra piece of advice with a reason.

Homework: Finish and improve your health advice note using the checklist.

Lesson 9 · Fashion and Personal Style Vocabulary (40 min)

Target language: fashion, trend, outfit, casual, formal, stylish, accessory

Materials: Fashion picture cards, Board

1. **5 min** Warm-up: describe what you are wearing today. (T-S)
2. **10 min** Present fashion vocabulary using picture cards. (T-S)
3. **15 min** Pair activity: describe pictures of outfits using new vocabulary. (Pairs)
4. **10 min** Short speaking task: describe your own personal style to a partner. (Pairs)

Assessment: Teacher monitors pair descriptions for accurate vocabulary use.

Support: Provide an adjective word bank for describing style.

Core: Students describe at least three outfits accurately.

Extension: Students compare two styles using a comparative adjective.

Homework: Write four sentences describing your personal fashion preferences.

Lesson 10 · Grammar Focus: Comparatives and As...As/Like/Alike (40 min)

Target language: comparative adjectives, as...as, same...as, like, alike

Materials: Grammar handout, Board

1. **5 min** Warm-up: compare two classroom objects orally. (T-S)
2. **15 min** Present comparative adjectives, as...as, same...as, like, and alike with notice sentences. (T-S)
3. **15 min** Complete and build grammar practice tasks. (Individual/Pairs)
4. **5 min** Quick oral round: students compare two outfits or habits. (Whole class)

Assessment: Teacher checks handout accuracy and oral comparisons.

Support: Provide sentence frames for as...as and comparatives.

Core: Students complete all practice items.

Extension: Students complete the challenge items.

Homework: Compare two outfits using comparative adjectives and as...as.

Lesson 11 · -ing / -ed Adjectives for Feelings (40 min)

Target language: -ing and -ed adjectives

Materials: Board, Feelings picture cards

1. **5 min** Warm-up: elicit how students feel today and why. (T-S)
2. **10 min** Present -ing/-ed adjective pairs with example sentences. (T-S)
3. **15 min** Gap-fill and sentence-building practice with feelings vocabulary. (Individual/Pairs)
4. **10 min** Speaking task: describe a situation and how it made you feel. (Pairs)

Assessment: Teacher monitors accuracy of -ing/-ed adjective use.

Support: Provide a simple chart pairing -ing and -ed adjectives.

Core: Students produce at least four correct sentences.

Extension: Students write two sentences about a classmate's likely feelings in a situation.

Homework: Write a paragraph describing a time you felt exhausted or confident.

Lesson 12 · Reading: Fashion — More Than Just Clothes (40 min)

Target language: reading for detail, recognising grammar in context

Materials: Reading text r2, Board

1. **5 min** Pre-reading: discuss the before-reading prompts. (T-S)
2. **15 min** Silent reading followed by a gist check. (Individual)
3. **15 min** Answer comprehension questions and find examples of future/comparative forms in the text. (Pairs)
4. **5 min** After-reading discussion. (Whole class)

Assessment: Teacher checks comprehension answers and identified grammar examples.

Support: Highlight target grammar structures in the text in advance for weaker students.

Core: Students answer all comprehension questions correctly.

Extension: Students identify an extra example of comparative or future forms in the text.

Homework: Research one future fashion trend and write a short paragraph giving your opinion.

Lesson 13 · Speaking and Listening Review: Health, Habits, and Style (40 min)

Target language: recap of all theme grammar and vocabulary

Materials: Listening script l2, Speaking task cards

1. **10 min** Listening: play/read the 'Life in 2050' dialogue and check comprehension. (Individual/Pairs)
2. **10 min** Pair speaking task: discuss fashion preferences and predictions (speaking task s2). (Groups of 3-4)
3. **15 min** Role-play speaking task s1 recap: doctor and patient dialogue. (Pairs)
4. **5 min** Whole-class sharing of best predictions and dialogues. (Whole class)

Assessment: Teacher monitors speaking accuracy and fluency across both tasks.

Support: Provide useful language lists for both speaking tasks.

Core: Students complete both speaking tasks with clear target language use.

Extension: Students justify their predictions with an extra reason.

Homework: Create a short role-play script using at least six target structures.

Lesson 14 · Theme Review and Writing: My Lifestyle and Future Predictions (40 min)

Target language: recap of all theme grammar

Materials: Review questions, Writing task w2, Checklist

1. **10 min** Quick review quiz covering vocabulary and grammar from the theme. (Whole class)
2. **10 min** Plan writing task w2 together, noting habits and predictions. (Individual)
3. **15 min** Students write their comparison/prediction paragraph. (Individual)
4. **5 min** Peer-check using the writing checklist and share one sentence with the class. (Pairs)

Assessment: Teacher collects paragraphs and checks against the checklist and theme outcomes.

Support: Provide sentence starters for both comparison and prediction sentences.

Core: Students write a complete paragraph of the target length using at least two future forms and one comparative.

Extension: Students add an extra sentence justifying one of their predictions.

Homework: Review theme vocabulary and grammar for the upcoming assessment.
