Book alignment

Theme	AbOnlinEnglish's original Theme 5 material covers neighbourhood attractions, local services and city transportation, matching the topic scope of the MEB Theme 5 unit without reusing its text.
Outcome	24 original outcome statements were written to match the B1.2 level and topic scope expected for this MEB theme.
Vocabulary	26 original words on neighbourhood attractions, local services and transportation were selected at the vocabulary level suggested by the MEB theme, with entirely original example sentences.
Grammar	Three original grammar sequences (Past Progressive, Simple Past vs Past Progressive, Question Tags) were written to match the grammar scope of the MEB theme.
Reading	Two original reading passages about a neighbourhood Saturday and getting help in the city were written at the same level and topic as the MEB theme's reading focus, without copying its text.
Listening	Two original listening dialogues about meeting near a pharmacy and a city transport interview were written to match the MEB theme's listening focus.
Speaking	Two original speaking tasks were designed on past routines and a transportation debate, reflecting the MEB theme's speaking aims.
Writing	Two original writing tasks on a neighbourhood narrative and a transportation comparison were designed to match the MEB theme's writing expectations.
Assessment	An original review set and theme test were written to assess the same skills and structures targeted by the MEB theme.
