

Lesson Plans

Lesson 1 · Introducing Natural Resources (40 min)

Target language: natural resource, renewable, non-renewable, fossil fuel

Materials: Vocabulary cards, Board, Theme handout

1. **5 min** Warm-up: ask students to name resources they used this morning (water, electricity). (T-S)
2. **10 min** Present key vocabulary with pictures and example sentences. (T-S)
3. **10 min** Pair matching activity: word to definition. (pairs)
4. **10 min** Short discussion: which resources are most important in our region? (groups)
5. **5 min** Wrap-up and preview of next lesson. (T-S)

Assessment: Teacher monitors pair matching accuracy and discussion participation.

Support: Provide a picture-word matching sheet.

Core: Students use new words in short spoken sentences.

Extension: Ask students to add two more resources not covered.

Homework: Match 8 vocabulary words with Turkish meanings.

Lesson 2 · Global Problems: Pollution and Deforestation (40 min)

Target language: pollution, deforestation, habitat, ecosystem

Materials: Reading handout, Board

1. **5 min** Warm-up: show two images (clean vs polluted environment) and elicit vocabulary. (T-S)
2. **10 min** Present new vocabulary with example sentences. (T-S)
3. **15 min** Skim a short original text about global problems; answer comprehension questions. (individual)
4. **5 min** Pair check of answers. (pairs)
5. **5 min** Class discussion: which problem worries you most? (T-S)

Assessment: Check comprehension question answers.

Support: Give simplified true/false questions instead of open questions.

Core: Students answer standard comprehension questions.

Extension: Ask students to summarise the text in their own words.

Homework: Complete 5 gap-fill sentences with theme vocabulary.

Lesson 3 · Grammar Focus: Defining Relative Clauses (Notice) (40 min)

Target language: that, which, who

Materials: Grammar handout, Board

1. **5 min** Warm-up: describe a classmate using 'who' orally. (T-S)
2. **10 min** Present notice sentences with 'that/which/who' and ask noticing questions. (T-S)
3. **10 min** Guided complete-the-gap practice with word bank. (individual)
4. **10 min** Pair check and discussion of the rule. (pairs)
5. **5 min** Teacher summarises the rule and form. (T-S)

Assessment: Monitor gap-fill accuracy during pair check.

Support: Provide the rule in simplified bilingual form.

Core: Students complete the gap-fill independently.

Extension: Ask students to write two extra example sentences.

Homework: Complete 4 sentences with 'so' from a word bank.

Lesson 4 · Grammar Practice: Building Relative Clause Sentences (40 min)

Target language: that, which, who

Materials: Grammar handout, Cue cards

1. **5 min** Quick review of the rule from the previous lesson. (T-S)
2. **15 min** Build activity: students form full sentences from cues using relative clauses. (pairs)
3. **10 min** Mistakes correction activity using common error sentences. (individual)
4. **5 min** Your Turn: students write 2-3 original sentences. (individual)
5. **5 min** Volunteers share sentences with the class. (T-S)

Assessment: Collect and check original sentences for accuracy.

Support: Give sentence starters for the Your Turn task.

Core: Students complete the build activity and write original sentences.

Extension: Ask stronger students to combine two relative clauses in one sentence.

Homework: Write 6 original sentences using relative clauses.

Lesson 5 · Grammar Focus: Connecting Words 'so' (Notice) (40 min)

Target language: so (cause and effect)

Materials: Grammar handout, Board

1. **5 min** Warm-up: elicit cause-effect pairs from students' own lives. (T-S)
2. **10 min** Present notice sentences with 'so' and ask noticing questions. (T-S)
3. **10 min** Guided gap-fill practice with 'so'. (individual)
4. **10 min** Compare 'so' vs 'because' using the compare table. (pairs)
5. **5 min** Teacher summarises the rule and form. (T-S)

Assessment: Monitor gap-fill and compare-table answers.

Support: Give a simplified cause/effect matching task.

Core: Students complete gap-fill and compare tasks.

Extension: Ask students to explain the difference between 'so' and 'because' in their own words.

Homework: Write 3 cause-effect sentences with 'so'.

Lesson 6 · Grammar Practice: Building 'so' Sentences (40 min)

Target language: so (cause and effect)

Materials: Cue cards, Grammar handout

1. **5 min** Quick review of 'so' rule from the previous lesson. (T-S)
2. **15 min** Build activity: combine cause-effect cues into full sentences with 'so'. (pairs)
3. **10 min** Mistakes correction activity using common error sentences. (individual)
4. **5 min** Your Turn: students write 2-3 original sentences. (individual)
5. **5 min** Share sentences and quick oral practice. (T-S)

Assessment: Check original sentences for correct use of 'so'.

Support: Give sentence starters for the Your Turn task.

Core: Students complete build activity and Your Turn independently.

Extension: Ask stronger students to add a relative clause to their 'so' sentence.

Homework: Complete the theme vocabulary quiz.

Lesson 7 · Reading: The World's Water Problem (40 min)

Target language: shortage, fresh water, treatment

Materials: Reading text handout

1. **5 min** Pre-reading: discuss before-reading prompts. (T-S)
2. **15 min** Silent reading of the text. (individual)
3. **15 min** Answer comprehension questions individually, then check in pairs. (pairs)
4. **5 min** Post-reading discussion. (T-S)

Assessment: Review comprehension question answers.

Support: Provide a vocabulary glossary alongside the text.

Core: Students answer all comprehension questions.

Extension: Ask students to summarise each paragraph in one sentence.

Homework: Read passage r1 again and write 2 new questions about it.

Lesson 8 · Reading: Saving the Rainforest (40 min)

Target language: deforestation, extinction, community

Materials: Reading text handout

1. **5 min** Pre-reading: discuss before-reading prompts. (T-S)
2. **15 min** Silent reading of the text. (individual)
3. **15 min** Answer comprehension questions individually, then check in pairs. (pairs)
4. **5 min** Post-reading discussion. (T-S)

Assessment: Review comprehension question answers.

Support: Pre-teach 3-4 key words before reading.

Core: Students answer all comprehension questions.

Extension: Ask students to identify the writer's opinion and give evidence.

Homework: Write a short paragraph about one solution from the text.

Lesson 9 · Listening: School Project on Natural Resources (40 min)

Target language: irrigation, illegal cutting, realistic solution

Materials: Audio/transcript handout

1. **5 min** Pre-listening discussion. (T-S)
2. **10 min** First listen for gist; answer general questions. (individual)
3. **10 min** Second listen for detail; answer remaining questions. (individual)
4. **10 min** Pair check of answers. (pairs)
5. **5 min** Post-listening discussion. (T-S)

Assessment: Check listening question answers in pairs.

Support: Give the transcript to weaker students during the second listen.

Core: Students complete both listening tasks independently.

Extension: Ask students to predict what each student's final project might include.

Homework: Write 3 questions you would ask about your own region's resources.

Lesson 10 · Listening: Renewable Energy Discussion (40 min)

Target language: solar panel, wind turbine, fossil fuel

Materials: Audio/transcript handout

1. **5 min** Pre-listening discussion. (T-S)
2. **10 min** First listen for gist; answer general questions. (individual)
3. **10 min** Second listen for detail, focusing on 'so' and relative clauses heard. (individual)
4. **10 min** Pair check of answers. (pairs)
5. **5 min** Post-listening discussion. (T-S)

Assessment: Check listening question answers in pairs.

Support: Provide the transcript for weaker students.

Core: Students complete both listening tasks independently.

Extension: Ask students to note every use of 'so' or a relative clause they hear.

Homework: Write a short paragraph on solar vs wind energy for your area.

Lesson 11 · Speaking: Protecting Our Natural Resources (40 min)

Target language: I think we should..., In my opinion...

Materials: Speaking task handout

1. **5 min** Warm-up: brainstorm resources as a class. (T-S)
2. **5 min** Present useful language for the speaking task. (T-S)
3. **20 min** Group discussion task s1. (groups)
4. **10 min** Groups present their two chosen actions to the class. (T-S)

Assessment: Teacher observes use of target language during discussion.

Support: Provide a word bank of resources and problems.

Core: Students discuss and agree on actions using useful language.

Extension: Ask groups to rank all actions by urgency.

Homework: Write a summary of your group's discussion (60-80 words).

Lesson 12 · Speaking: Role-Play Town Council Meeting (40 min)

Target language: I'm concerned about..., A fair compromise would be...

Materials: Role cards

1. **5 min** Introduce the scenario and assign roles. (T-S)
2. **10 min** Groups prepare their arguments using role cards. (groups)
3. **15 min** Role-play the town council meeting. (groups)
4. **10 min** Groups report their final decision to the class. (T-S)

Assessment: Teacher observes participation and use of functional language.

Support: Give simplified role cards with key phrases.

Core: Students role-play using prepared arguments.

Extension: Ask stronger students to propose an original compromise not on the role card.

Homework: Write a short paragraph explaining which side you agreed with and why.

Lesson 13 · Writing Workshop: Resource Paragraph and Proposal (40 min)

Target language: topic sentence, supporting sentence

Materials: Writing task handouts

1. **5 min** Review relative clauses and 'so' briefly. (T-S)
2. **10 min** Model a short paragraph as a class using the plan steps. (T-S)
3. **20 min** Students plan and write task w1 or w2 individually. (individual)
4. **5 min** Peer-check using the checklist. (pairs)

Assessment: Check drafts against the writing checklist.

Support: Provide sentence starters and a word bank.

Core: Students write independently using the plan.

Extension: Ask stronger students to add a second paragraph with more detail.

Homework: Finish and correct your paragraph using the checklist.

Lesson 14 · Theme Review and Assessment (40 min)

Target language: review of theme 7 vocabulary and grammar

Materials: Review worksheet, Test items

1. **10 min** Quick whole-class review game using theme vocabulary. (T-S)
2. **10 min** Complete review questions individually. (individual)
3. **15 min** Complete short theme test sections. (individual)
4. **5 min** Class feedback and wrap-up of the theme. (T-S)

Assessment: Score the theme test sections.

Support: Allow extra time and word bank access for support students.

Core: Students complete review and test independently.

Extension: Ask stronger students to write one extra original sentence per grammar point.

Homework: Complete any unfinished test sections for review.
