S3		say which activity I prefer and why
S4		talk about what I can do
S5		talk about what I could do in the past
S6		take part in a conversation about hobbies and skills

Book alignment

Theme	AbOnlinEnglish's Theme 2 material covers hobbies, likes/dislikes, preferences, and abilities, matching the topic scope of the book's Theme 2 (pp. 25–36) with fully original content.
Outcome	24 original outcome statements were written for this theme's listening, reading, speaking, writing, grammar, and vocabulary goals, matching the book's outcome scope without copying its wording.
Vocabulary	22 original words matching the hobbies and skills topic scope of Theme 2, taught through original example sentences, not the book's own text.
Grammar	Three original grammar entries cover verbs of liking/disliking, adjective + preposition structures, and can/could for ability, matching the grammar scope of the book's Theme 2 with fully original explanations and examples.
Reading	Two original reading passages (about 200-260 words) on a hobbyist woodcarver and twin sisters with different hobbies were written at B1.3 level, not copied from the book.
Listening	Two original listening scripts — a dialogue about choosing a new hobby and a monologue about a chess-playing grandfather — were written to match the book's Theme 2 topic scope.
Speaking	Two original speaking tasks were designed around hobby interviews and present/past ability exchanges, matching the theme's communicative goals.
Writing	Two original writing tasks were designed for describing personal hobbies and a learned skill, matching the theme's writing goals.
Assessment	An original review set and a four-skill test with vocabulary, grammar, reading, and listening sections were written to assess Theme 2 outcomes without reusing book material.
