Book alignment

Theme	AbOnlinEnglish's Theme 3 materials cover the same 'Hard Times' topic scope as Ders Kitabı pp. 37–50, built entirely from original texts and tasks.
Outcome	All 24 outcome descriptions were written originally by AbOnlinEnglish to match the listening, reading, speaking, and writing focus of this theme's page range.
Vocabulary	22 original words matching the topic scope of Theme 3 (Ders Kitabı pp. 37–50), taught through original example sentences, not the book's own text.
Grammar	Past Simple, Past Continuous (including with 'while'), and Used to are explained and practised with fully original notice sentences, rules, and exercises.
Reading	Two original biographical-style reading passages about people overcoming hardship, written by AbOnlinEnglish rather than taken from the textbook's real-person stories.
Listening	One original listening conversation about a difficult childhood, written and recorded specifically for this theme.
Speaking	Two original speaking tasks asking students to interview and discuss past hardships and habits, aligned with the theme but not copied from the book.
Writing	Two original writing tasks (a biographical paragraph and a diary entry) practising the theme's three grammar points in a fresh context.
Assessment	An original review set and test covering vocabulary, grammar, reading, and listening for this theme, written independently of the textbook's own exercises.
