S2		exchange ideas with a partner about values and customs
S3		make polite comments on a partner's opinion
S4		agree or disagree politely in a discussion
S5		take part in a group discussion comparing values and customs
S6		use natural stress and intonation when giving my opinion

Book alignment

Theme	Follows the topic scope of Theme 10 (Ders Kitabı pp. 123-135), covering social values and cultural norms, with entirely original texts and tasks.
Outcome	Covers the 24 outcome codes for this theme through original listening, reading, speaking and writing tasks built around expressing opinions and making comments on values.
Vocabulary	24 original words related to values, norms and etiquette, each with an original example sentence matching the theme's scope.
Grammar	One original grammar entry covering correlative conjunctions (both...and, either...or, neither...nor, not only...but also), matching the grammar scope of Theme 10 without copying any book exercises.
Reading	Two original reading passages (a cultural comparison and an opinion piece) written at B1.3 level, not taken from the book's own reading texts.
Listening	Two original listening scripts — a debate dialogue and a personal monologue about family customs — written specifically for this theme's target grammar and vocabulary.
Speaking	Two original speaking tasks — ranking values and comparing customs — practising opinions, exchanging ideas, and making comments orally.
Writing	Two original writing tasks — an opinion paragraph and a comparison paragraph — both requiring correlative conjunctions.
Assessment	An original mixed-skill review, theme test and three rubrics assessing vocabulary, grammar, reading, listening, speaking and writing for this theme.
