Emir Hey, Kerem! What time do you usually wake up on school days?

Kerem I wake up at quarter to seven. I get dressed quickly and check my timetable.

Emir Do you have breakfast at home?

Kerem No, I don't. I usually have it at school with my classmates, at break time.

Emir That's different from me — I have breakfast at home every day. Do you comb your hair before or after breakfast?

Kerem Before! I always comb my hair carefully before I leave the house.

Emir Same here. Does your family plan your school bag together?

Kerem No, I plan it myself, the night before. It's a good habit — I never forget my books now.

Transcript · Planning a Study Session

Zeynep Do you want to revise together this evening? We have a vocabulary test tomorrow.

Deniz Good idea! What time do you usually start studying?

Zeynep I usually start at about five, after I rest for twenty minutes. Does that work for you?

Deniz Yes, it does. Do we repeat the vocabulary together, or do we work alone first?

Zeynep Let's take notes alone first, then repeat the words together and check each other carefully.

Deniz Sounds good. Do you always study this carefully before a test?

Zeynep Yes, I do — it's a habit now. It doesn't feel difficult any more.

Deniz Great, let's plan to meet at your house at five o'clock, then.
