S1 Guess the Job

Whole class, mingling · 10–12 dk

Think of a job for an invented family member. Walk around the class and answer your classmates' yes/no questions with the Simple Present and at/in/on so they can guess the job. Then guess theirs.

Does he/she work in an office?

Does he/she work at a shopping centre?

Does he/she serve customers?

Yes, he/she does. / No, he/she doesn't.

1. Secretly choose a job and a workplace for your invented family member.
2. Find a partner and let them ask up to 5 yes/no questions with 'does'.
3. Answer honestly with short answers.
4. Swap roles, then find a new partner.
5. After 4–5 rounds, share one interesting guess with the class.

S2 Career Day — Interview a Classmate

Pairs · 15–20 dk

Interview a partner about a family member's job, workplace and work routine (real or invented, for creative-writing purposes). Take notes, then prepare to present your partner's family member as part of the 'Career Day' presentation.

What does your... do?

Where does he/she work?

What does he/she do every day?

This is [name]'s [family member]. He/She works as... He/She works at/in...

1. In pairs, take turns asking the interview questions and noting the answers.
2. Check the job title and workplace name together.
3. Prepare 4–5 sentences introducing your partner's family member.
4. Practise your short presentation with your partner.
5. Present your partner's family member to a small group or the whole class.
