

## YEAR 9 (AFTER PREP) · THEME 7 · LIFE IN NATURE &amp; GLOBAL PROBLEMS

## Answer Key

B2.1

Öğretmen için — öğrencilere dağıtılmaz

Hazırlık Sonrası 9. Sınıf

## Vocabulary · Exercise 1

- |       |       |
|-------|-------|
| 1 – g | 5 – c |
| 2 – h | 6 – d |
| 3 – b | 7 – f |
| 4 – e | 8 – a |

## Vocabulary · Exercise 2

- |                |                  |
|----------------|------------------|
| 1 – earthquake | 5 – landslide    |
| 2 – flood      | 6 – aftermath    |
| 3 – wildfire   | 7 – ecosystem    |
| 4 – drought    | 8 – displacement |

## Grammar · Discover A (Defining Relative Clauses (who / which / that))

- |                  |               |
|------------------|---------------|
| 1 – who / that   | 3 – no commas |
| 2 – which / that |               |

## Grammar · Discover B — model answers

- |                                                                                   |                                                                   |
|-----------------------------------------------------------------------------------|-------------------------------------------------------------------|
| 1 – The disaster that happened last spring destroyed hundreds of homes.           | 3 – The volunteers who worked day and night helped flood victims. |
| 2 – An algorithm that analyses weather data can warn people hours before a storm. | 4 – This is the app which predicts wildfires using AI.            |
|                                                                                   | 5 – Do you know the scientists who develop early warning systems? |

## Grammar · Exercise 1

- |              |            |
|--------------|------------|
| 1 – a) who   | 3 – b) who |
| 2 – b) which |            |

## Grammar · Exercise 2

- |                  |                  |
|------------------|------------------|
| 1 – who / that   | 3 – that / which |
| 2 – that / which |                  |

### Grammar · Exercise 3

---

1 – Incorrect → The engineer who designed the system is famous.

2 – Correct

### Grammar · Exercise 4

---

1 – that / which

2 – that / which

### Grammar · Exercise 5

---

1 – The app which predicts floods is very accurate.

### Grammar · Discover A (Non-Defining Relative Clauses (who / which, with commas))

---

1 – extra/additional

3 – cannot use 'that'

2 – commas

### Grammar · Discover B — model answers

---

1 – Professor Demir, who studies climate change, gave a lecture on droughts.

3 – This app, which was created by students, won a technology prize.

2 – The Amazon rainforest, which produces a huge amount of oxygen, is losing trees every year.

4 – My cousin, who volunteers for disaster relief, is travelling to the flood zone.

### Grammar · Exercise 6

---

1 – b) which

3 – c) The scientist, who developed the app, won an award.

2 – a) who

### Grammar · Exercise 7

---

1 – which

2 – who

### Grammar · Exercise 8

---

1 – Incorrect → The report that we published last year was very detailed.

2 – Correct

### Grammar · Exercise 9

---

1 – who

2 – which

## Grammar · Discover A (Omitting the Relative Pronoun (Object Relative Clauses))

---

1 – object

3 – cannot be omitted

2 – subject

## Grammar · Discover B — model answers

---

1 – The data the sensors collect helps predict earthquakes.

3 – The house the storm destroyed was empty.

2 – cannot omit — 'who' is the subject: The engineers who designed the app are from Izmir.

4 – cannot omit — 'which' is the subject: The system which predicts floods was built by students.

## Grammar · Exercise 10

---

1 – b) The scientist who studies volcanoes gave a talk.

3 – b) who

2 – b) — (no word needed)

## Grammar · Exercise 11

---

1 – collect

2 – that / which

## Grammar · Exercise 12

---

1 – Incorrect → The engineers who designed the app won an award.

2 – Correct

## Grammar · Exercise 13

---

1 – that / which

## Grammar · Exercise 14

---

1 – The house the flood destroyed was empty.

## Grammar · Discover A (Relative Clauses with 'whose' (Possession))

---

1 – possession

3 – noun

2 – people and things

## Grammar · Discover B — model answers

---

1 – The scientist whose research predicted the earthquake won an award.

3 – The company whose app warns people about wildfires is expanding.

2 – The village whose wells dried up during the drought lost its water supply.

4 – I spoke to a boy whose school was flooded last year.

**Grammar · Exercise 15**

---

1 – b) whose

2 – b) whose

3 – b) The scientist whose research is famous spoke today.

**Grammar · Exercise 16**

---

1 – whose

2 – whose

**Grammar · Exercise 17**

---

1 – Incorrect → The scientist whose research predicted the flood is famous now.

2 – Correct

**Grammar · Exercise 18**

---

1 – whose

**Grammar · Exercise 19**

---

1 – The scientist whose research predicted the

earthquake won an award.

**Reading · When the Ground Shakes: The Real Cost of a Natural Disaster**

---

1 – b) The earthquake had a serious impact on both the town and the natural environment around it.

2 – landslides

3 – b) Because their roots normally hold the soil in

place

4 – Incorrect → The temporary school was built almost entirely by hand by the community and volunteers.

5 – displacement

**Reading · Can Technology Predict the Next Disaster?**

---

1 – b) To describe how AI and data are changing disaster prediction and response

2 – algorithm

3 – b) By estimating patient numbers and likely

injuries so staff can prepare

4 – Incorrect → Early warning technology is often unavailable in the poorest and most vulnerable communities.

5 – real-time

**Listening · After the Flood: A Radio Interview**

---

1 – b) Small boats and teamwork

2 – system

3 – Incorrect → Deniz thinks technology and early warnings could help prevent future disasters.

4 – b) silent

## Listening · Predicting the Unpredictable — A Project Brief

---

1 – b) A real natural disaster and a technology solution

2 – human

3 – Incorrect → Students can present individually or in pairs.

## Revision · Quick check

---

1 – b) who

2 – which

3 – b) which

4 – whose

5 – b) My uncle, who works for a relief organisation, is here.

6 – Incorrect → The report we read yesterday was alarming.

7 – collect

8 – b) whose

9 – b) which

10 – who / that

11 – The recycling bin, which was full, needed to be emptied.

12 – Incorrect → The polar bear that lives in the Arctic is endangered.

13 – The factory whose chemicals are toxic pollutes the river.

14 – which

## Test · 1 · Vocabulary

---

1 – a) evacuate

2 – b) resilience

3 – b) Artificial intelligence

4 – a) vulnerable

## Test · 2 · Grammar

---

1 – b) who

2 – b) which

3 – b) — (no word needed)

4 – b) whose

5 – c) My uncle, who works for a relief organisation, is here.

## Test · 3 · Reading

---

1 – a) Predict rising water levels in advance

2 – Incorrect → The technology is becoming cheaper

every year.

3 – warning

## Test · 4 · Writing

---

1 –

## Test · 5 · Speaking (öğretmen değerlendirmesi)

---

1 –

## Transcript · After the Flood: A Radio Interview
