Speaking

Our School Rules

Pairs · 8 min

In pairs, list three rules from your own school and explain why each rule is important.

Useful language: In our school, students must..., Students mustn't..., This rule is important because..., I think this rule is fair/unfair because...

1. Write down three real rules from your school.
2. Take turns explaining each rule to your partner.
3. Say whether you agree with the rule and why.

Writing

My School

60-80 words

Write a short paragraph about your school: its rules, the people who work there, and one national day celebration you remember.

Plan:

1. Name your school and say what time it starts.
2. Describe two rules using must/mustn't.
3. Describe one person who works at your school and their role.
4. Describe one national day ceremony at your school.

Checklist:

- ☐ I used must/mustn't correctly.
- ☐ I described at least one school role.
- ☐ I wrote about a national day.
