

Answer Key

Grammar

Would like to / Going to — Future Hopes and Plans

Use 'would like to' for wishes and hopes, and 'going to' for decided future plans.

Dilek ve umutlar için 'would like to', kesinleşmiş gelecek planları için 'going to' kullanılır.

When? Use would like to/going to when talking about family members' dreams and plans.

Aile bireylerinin hayalleri ve planlarından bahsederken kullanılır.

Positive

- I would like to travel the world.

Negative

- She wouldn't like to leave her hometown.

Question

4. Rewrite: my parents hope I become independent. (Use *would like*) **My parents would like me to become independent.**

Different Dreams, One Family

Before you read

- What does your family hope you will become in the future?

In the Yıldız family, every member has a different dream for the future. The father, a shopkeeper, would like his son to inherit the family business one day, but his son has other plans.

"I'm going to study computer engineering," says Emre, the son. "My father is a great role model, but my career path is different from his. My parents encourage me to follow my own ambition, even if it's not the family business."

Emre's younger sister, Ela, would like to become a doctor. She is determined to help people in her community. Their parents say that whatever path their children choose, they simply hope the next generation will be happy and independent.

1. What does Emre plan to study?

- a. Medicine
- b. Computer engineering ✓
- c. Business
- d. Law

"I'm going to study computer engineering".

2. Ela is determined to become a _____. (doctor)

Directly stated.

3. The father insists his son must inherit the business. — True / False (Incorrect — Emre has other plans, and the family supports him.)

The parents encourage him to follow his own ambition.

After you read

- What career path would you like to follow, and why?
