- a. I would like become a pilot.
- b. I would like to become a pilot.
- c. I like would to become a pilot.
- d. I would to like become a pilot.

4. Rewrite: my parents hope I become independent. (*Use would like*)

Different Dreams, One Family

Before you read

- What does your family hope you will become in the future?

In the Yıldız family, every member has a different dream for the future. The father, a shopkeeper, would like his son to inherit the family business one day, but his son has other plans.

"I'm going to study computer engineering," says Emre, the son. "My father is a great role model, but my career path is different from his. My parents encourage me to follow my own ambition, even if it's not the family business."

Emre's younger sister, Ela, would like to become a doctor. She is determined to help people in her community. Their parents say that whatever path their children choose, they simply hope the next generation will be happy and independent.

1. What does Emre plan to study?

- a. Medicine
- b. Computer engineering
- c. Business
- d. Law

2. Ela is determined to become a _____.

3. The father insists his son must inherit the business. — *True / False*

After you read

- What career path would you like to follow, and why?
