Twins, But Very Different

Before you read

- Do you know any twins? Are they similar or different?

Selin and Sena are twin sisters, but they look and act very differently. Selin has got short curly hair and freckles across her nose. She usually wears casual, comfortable clothes and loves trainers.

Sena, on the other hand, has got long straight hair and always chooses fashionable outfits. She is outgoing and loves meeting new people, while Selin is quieter and a little shy in big groups.

Even though they look different, both sisters are known for being reliable. If they promise to help a friend, they always keep their word.
