Camping Near the Waterfall

Before you read

- Have you ever been camping? Where?

Last weekend, Kerem and his friends went camping near a beautiful waterfall in the mountains. They packed good equipment: a strong tent, warm sleeping bags, and plenty of water.

On the first night, dark clouds appeared and a sudden storm began. "Look, it's raining hard!" shouted Kerem, as they quickly tied down the tent. Luckily, their equipment helped them survive the night safely.

The next morning, the sky was clear again, and the view of the waterfall was breathtaking. The group followed a long trail through the forest before heading home, tired but happy.
