3. Choose the correct question.
 - a. Does it snowing?
 - b. Is it snowing?
 - c. It is snowing?
 - d. Is snowing it?
4. Rewrite: the wind gets stronger now. (*Use present continuous*)

Camping Near the Waterfall

Before you read

- Have you ever been camping? Where?

Last weekend, Kerem and his friends went camping near a beautiful waterfall in the mountains. They packed good equipment: a strong tent, warm sleeping bags, and plenty of water.

On the first night, dark clouds appeared and a sudden storm began. "Look, it's raining hard!" shouted Kerem, as they quickly tied down the tent. Luckily, their equipment helped them survive the night safely.

The next morning, the sky was clear again, and the view of the waterfall was breathtaking. The group followed a long trail through the forest before heading home, tired but happy.

1. What happened on the first night?

- a. A heatwave
- b. A storm
- c. A drought
- d. A blizzard

2. The group followed a long _____ through the forest.

3. The view of the waterfall the next morning was disappointing. — *True / False*

After you read

- Describe an outdoor adventure you have had or would like to have.

Weather Warning

Before you listen

- What do you do when there is bad weather?

1. What weather is expected tomorrow?

- a. A heatwave
- b. A blizzard
- c. A drought
- d. Sunshine

2. Hikers must bring warm _____.

Weather Report

Pairs · 8 min

Act out a short weather report describing current conditions (use present continuous) and give advice to listeners.

Useful language: It is raining/snowing..., We advise you to..., Don't forget to bring...

1. Choose an extreme weather condition.
2. Describe what is happening now using present continuous.
3. Give one piece of safety advice.

Writing

An Adventure in Nature

60-80 words
