

Lesson Plans

Lesson 1 · Types of Schools Around the World (40 min)

Target language: boarding school, public school, vocational school, homeschooling

Materials: Vocabulary cards, Board

1. **5 min** Warm-up: ask students what type of school they attend. (T-S)
2. **10 min** Present new vocabulary about school types with flashcards. (T-S)
3. **15 min** Read 'Schools Around the World' and answer comprehension questions. (individual)
4. **10 min** Pair discussion: which type of school would you prefer? (pairs)

Assessment: Monitor pair discussions for correct use of new vocabulary.

Support: Provide a word bank for the discussion.

Core: Students complete all reading questions independently.

Extension: Ask fast finishers to list two more types of schools not in the text.

Homework: Match vocabulary words to Turkish meanings.

Lesson 2 · Simple Present vs Present Progressive (40 min)

Target language: simple present, present progressive

Materials: Grammar handout

1. **5 min** Show notice sentences and elicit the difference between habits and now. (T-S)
2. **10 min** Explain the rule and form using the grammar box. (T-S)
3. **15 min** Complete and build practice exercises. (individual/pairs)
4. **10 min** Speaking: describe your school routine now and in general. (pairs)

Assessment: Check practice exercise answers as a class.

Support: Provide sentence starters for the speaking task.

Core: Students complete the practice exercises with at least 80% accuracy.

Extension: Challenge exercise from the grammar section.

Homework: Write five sentences about your daily routine using adverbs of frequency.

Lesson 3 · Adverbs of Frequency in Everyday Life (40 min)

Target language: always, usually, often, sometimes, rarely, never

Materials: Vocabulary list, Notebook

1. **5 min** Warm-up: order adverbs of frequency from 0% to 100%. (individual)
2. **15 min** Survey a partner about their weekly activities using frequency adverbs. (pairs)
3. **10 min** Report survey findings to the class. (T-S)
4. **10 min** Write a short paragraph about your own routine. (individual)

Assessment: Check written paragraphs for correct adverb placement.

Support: Give a model paragraph as a guide.

Core: Students write at least four sentences with adverbs of frequency.

Extension: Ask stronger students to add extracurricular activities to their paragraph.

Homework: Complete the writing task 'My School and My Routine' plan.

Lesson 4 · Extracurricular Activities (40 min)

Target language: join, take part in, extracurricular

Materials: Club posters or pictures

1. **5 min** Warm-up: brainstorm extracurricular activities known to students. (T-S)
2. **10 min** Present and practise new vocabulary with pictures. (T-S)
3. **15 min** Speaking task s1: compare two types of schools and their activities. (pairs)
4. **10 min** Feedback and error correction. (T-S)

Assessment: Listen to pair discussions and note vocabulary use.

Support: Provide useful language cards.

Core: Students use at least four vocabulary items in the speaking task.

Extension: Ask stronger pairs to add a question tag to check opinions.

Homework: Write three question tag questions about school life.

Lesson 5 · Question Tags (40 min)

Target language: question tags (positive/negative)

Materials: Grammar handout

1. **5 min** Notice activity: identify tags in example sentences. (T-S)
2. **10 min** Explain the rule for positive/negative tags. (T-S)
3. **15 min** Complete and build practice exercises. (individual/pairs)
4. **10 min** Mingle activity: ask classmates questions with tags. (whole class)

Assessment: Monitor mingle activity for correct tag formation.

Support: Give a list of ready-made statements to add tags to.

Core: Students form at least five correct question tags.

Extension: Challenge exercise from grammar section.

Homework: Complete question tag practice items.

Lesson 6 · Wh- Question Formation (40 min)

Target language: who, where, when, how, why, what kind of

Materials: Question word cards

1. **5 min** Warm-up: match question words to example answers. (individual)
2. **15 min** Practise forming wh-questions from cues. (pairs)
3. **10 min** Interview a partner about school life using wh-questions. (pairs)
4. **10 min** Report back one interesting fact learned about your partner. (T-S)

Assessment: Check accuracy of questions formed in pair interviews.

Support: Provide a question word bank.

Core: Students form at least five correct wh-questions.

Extension: Ask fast finishers to write a short interview transcript.

Homework: Write three original wh-questions about your school.

Lesson 7 · Reading: Dealing with School Stress (40 min)

Target language: anxiety, stressed, overwhelmed, cope with

Materials: Reading text handout

1. **5 min** Pre-reading discussion: do you ever feel stressed about school? (T-S)
2. **10 min** Pre-teach key vocabulary about stress. (T-S)
3. **15 min** Read the text and answer comprehension questions. (individual)
4. **10 min** Post-reading discussion on coping strategies. (pairs)

Assessment: Check comprehension question answers.

Support: Pre-teach vocabulary with translations.

Core: Students answer all comprehension questions.

Extension: Ask stronger students to summarise the text in their own words.

Homework: Write two sentences using must/can't about a classmate's mood.

Lesson 8 · Nothing/Something/Anything (40 min)

Target language: something, anything, nothing

Materials: Grammar handout

1. **5 min** Notice activity with example sentences. (T-S)
2. **10 min** Explain the rule for something/anything/nothing. (T-S)
3. **15 min** Complete and build practice exercises. (individual/pairs)
4. **10 min** Write two sentences describing how school stress makes you feel. (individual)

Assessment: Review written sentences for correct pronoun use.

Support: Give a model sentence as a guide.

Core: Students complete the practice exercises with good accuracy.

Extension: Challenge exercise from grammar section.

Homework: Complete the writing task 'An Email of Advice' plan.

Lesson 9 · Object Pronouns (40 min)

Target language: me, you, him, her, it, us, them

Materials: Grammar handout

1. **5 min** Warm-up: identify the object in sample sentences. (T-S)
2. **10 min** Explain object pronoun forms and uses. (T-S)
3. **15 min** Practice: rewrite sentences from the reading texts using object pronouns. (individual)
4. **10 min** Peer-check answers in pairs. (pairs)

Assessment: Check peer-corrected worksheets.

Support: Provide a pronoun reference chart.

Core: Students correctly use object pronouns in at least five sentences.

Extension: Ask stronger students to write two original sentences with object pronouns.

Homework: Rewrite three sentences from the reading using object pronouns.

Lesson 10 · Must/Can't for Deduction (40 min)

Target language: must, can't (deduction)

Materials: Picture prompts

1. **5 min** Notice activity with must/can't example sentences. (T-S)
2. **10 min** Explain the rule for logical deduction. (T-S)
3. **15 min** Practice: make deductions about picture prompts. (pairs)
4. **10 min** Complete and build practice exercises. (individual)

Assessment: Monitor pair deductions for accurate use of must/can't.

Support: Provide sentence frames for deductions.

Core: Students make at least four accurate deductions.

Extension: Challenge exercise from grammar section.

Homework: Complete remaining grammar practice items.

Lesson 11 · Listening: School Life Conversation (40 min)

Target language: review of theme grammar in context

Materials: Listening transcript / audio

1. **5 min** Pre-listening prediction discussion. (T-S)
2. **15 min** Listen (or read transcript) and complete comprehension questions. (individual)
3. **10 min** Check answers as a class. (T-S)
4. **10 min** Post-listening discussion and roleplay practice (speaking task s2). (groups)

Assessment: Check listening comprehension answers.

Support: Provide the transcript in written form for weaker students.

Core: Students answer at least 4 of 5 comprehension questions correctly.

Extension: Ask stronger students to extend the roleplay with new lines.

Homework: Write a short dialogue about school stress and coping strategies.

Lesson 12 · National Days and Celebrations (40 min)

Target language: national day, ceremony, flag-raising, parade, commemorate

Materials: Listening transcript: National Day Celebration

1. **5 min** Warm-up: how does your school celebrate national days? (T-S)
2. **10 min** Pre-teach celebration vocabulary. (T-S)
3. **15 min** Listen to the announcement and complete questions. (individual)
4. **10 min** Discuss similarities/differences with own school celebrations. (pairs)

Assessment: Check listening question answers.

Support: Pre-teach vocabulary with visuals.

Core: Students answer all listening questions.

Extension: Ask stronger students to describe their own school's celebration in detail.

Homework: Research and write three sentences about how your school celebrates a national day.

Lesson 13 · Writing Workshop and Speaking Practice (40 min)

Target language: review of theme vocabulary and grammar

Materials: Writing task handouts, Checklists

1. **5 min** Review writing task instructions and checklist. (T-S)
2. **20 min** Students write their 'My School and My Routine' or 'Email of Advice' paragraph. (individual)
3. **10 min** Peer-check writing using the checklist. (pairs)
4. **5 min** Share one sentence each with the class. (whole class)

Assessment: Use the writing checklist to assess drafts.

Support: Provide sentence starters and vocabulary lists.

Core: Students complete a full paragraph meeting the word count.

Extension: Ask stronger students to add a question tag and a deduction sentence.

Homework: Finalise and polish the writing task for submission.

Lesson 14 · Theme Review and Test (40 min)

Target language: review of all theme grammar and vocabulary

Materials: Review questions, Test sections

1. **10 min** Mixed-skill review questions as a class quiz. (whole class)
2. **20 min** Students complete the theme test (vocabulary, grammar, reading, listening sections). (individual)
3. **10 min** Check answers and address common errors. (T-S)

Assessment: Score the theme test and review results with students.

Support: Allow extra time and a vocabulary reference sheet.

Core: Students complete all test sections.

Extension: Ask fast finishers to write one extra sentence per grammar point.

Homework: Review any test sections with errors for the next class.
