

Lesson Plans

Lesson 1 · Neighbourhood Attractions: Warm-up & Vocabulary (40 min)**Target language:** Vocabulary for neighbourhood attractions**Materials:** Vocabulary cards, Board, Pictures of local attractions

1. **5 min** Warm-up: students brainstorm places they visit in their neighbourhood for fun. (T-S)
2. **10 min** Present new vocabulary about attractions with example sentences and IPA. (T-S)
3. **15 min** Pair matching: word to picture, then to example sentence. (pairs)
4. **10 min** Students share which attraction they visit most and why. (individual)

Assessment: Teacher monitors pair work and checks vocabulary use in speaking.

Support: Provide a word-Turkish meaning list.

Core: Students complete matching independently.

Extension: Students write two extra sentences using new words together.

Homework: Support homework task 1.**Lesson 2 · Services in the City: Vocabulary (40 min)****Target language:** Vocabulary for local services**Materials:** Vocabulary cards, Board, Realia (empty medicine box, appointment card)

1. **5 min** Warm-up: students discuss what they do when they feel unwell. (T-S)
2. **10 min** Present new service vocabulary with example sentences. (T-S)
3. **15 min** Gap-fill worksheet using new words in context. (individual)
4. **10 min** Pairs compare answers and correct each other. (pairs)

Assessment: Teacher checks gap-fill answers and monitors peer correction.

Support: Provide a shortened gap-fill with a word bank.

Core: Students complete the full gap-fill independently.

Extension: Students write two original sentences with new service vocabulary.

Homework: Support homework task 2.

Lesson 3 · Transportation Vocabulary (40 min)

Target language: Vocabulary for transportation

Materials: Vocabulary cards, Simple city map handout

1. **5 min** Warm-up: students name ways they travel to school. (T-S)
2. **10 min** Present transportation vocabulary using the map handout. (T-S)
3. **15 min** Students label the map with new vocabulary in pairs. (pairs)
4. **10 min** Quick class quiz: teacher says a definition, students say the word. (T-S)

Assessment: Teacher checks map labelling and quiz responses.

Support: Provide a word bank for the map labelling task.

Core: Students label the map independently.

Extension: Students add two extra transportation words they already know in English.

Homework: Core homework task 1.

Lesson 4 · Past Progressive: Noticing the Form (40 min)

Target language: Past progressive form and use

Materials: Board, Grammar notice sentences handout

1. **5 min** Warm-up: teacher asks 'What were you doing at 8am today?' (T-S)
2. **10 min** Students notice the target form in example sentences and discuss the pattern. (pairs)
3. **15 min** Complete gap-fill exercises using was/were + -ing. (individual)
4. **10 min** Pronunciation practice: was/were stress and linking in short questions. (T-S)

Assessment: Teacher checks gap-fill accuracy and pronunciation during practice.

Support: Provide sentence starters for the gap-fill task.

Core: Students complete the gap-fill independently.

Extension: Students write three extra sentences about what classmates were doing this morning.

Homework: Core homework task on past progressive sentences.

Lesson 5 · Past Progressive: Building Sentences (40 min)

Target language: Past progressive practice

Materials: Cue cards, Board

1. **5 min** Quick review of was/were + -ing form. (T-S)
2. **15 min** Students build full sentences from cue cards in pairs. (pairs)
3. **10 min** Speaking task: students ask/answer what they were doing at three times yesterday. (pairs)
4. **10 min** Feedback and correction of common errors on the board. (T-S)

Assessment: Teacher monitors pair speaking and collects common errors for feedback.

Support: Provide a simplified set of cue cards.

Core: Students complete the full set of cue cards.

Extension: Students add a follow-up question to their partner's answer.

Homework: Core homework task on describing yesterday.

Lesson 6 · Simple Past vs Past Progressive: Discovering the Contrast (40 min)

Target language: Simple past vs past progressive

Materials: Board, Notice sentences handout

1. **5 min** Warm-up: teacher tells a short anecdote mixing both tenses and asks students to notice. (T-S)
2. **10 min** Students discuss notice sentences and identify background vs interrupting actions. (pairs)
3. **15 min** Complete gap-fill exercises combining both tenses. (individual)
4. **10 min** Compare-table activity: students sort example sentences into the two tenses. (pairs)

Assessment: Teacher checks gap-fill and compare-table accuracy.

Support: Provide sentence halves to match instead of free gap-fill.

Core: Students complete the gap-fill independently.

Extension: Students write two extra sentences with 'while' and 'when'.

Homework: Core homework task on combining tenses.

Lesson 7 · Simple Past vs Past Progressive: Storytelling (40 min)

Target language: Combining past tenses in narrative

Materials: Picture prompts, Board

1. **5 min** Review the compare table from the previous lesson. (T-S)
2. **15 min** Students build sentences from picture prompts using both tenses. (pairs)
3. **15 min** Students begin drafting a short narrative for Writing task 1. (individual)
4. **5 min** Volunteers share one sentence from their draft. (T-S)

Assessment: Teacher monitors drafting and checks correct tense combination.

Support: Provide a sentence frame for the narrative draft.

Core: Students draft independently using the plan from Writing task 1.

Extension: Students aim to include at least four examples of both tenses.

Homework: Core homework: finish the narrative draft.

Lesson 8 · Reading: A Saturday in Our Neighbourhood (40 min)

Target language: Reading for detail; past tense recognition

Materials: Reading 1 handout, Board

1. **5 min** Pre-reading: students predict what happens on a Saturday afternoon in the text. (T-S)
2. **15 min** Students read the text individually, underlining past progressive forms. (individual)
3. **15 min** Students answer comprehension questions in pairs. (pairs)
4. **5 min** Class check of answers and post-reading discussion. (T-S)

Assessment: Teacher checks comprehension answers and underlined forms.

Support: Provide simplified questions with two options instead of four.

Core: Students complete the full question set.

Extension: Students summarise the story in three sentences using their own words.

Homework: Core homework: reading follow-up questions.

Lesson 9 · Reading: Getting Help in the City (40 min)

Target language: Reading for detail; service vocabulary in context

Materials: Reading 2 handout, Board

1. **5 min** Pre-reading: students discuss where they go first when unwell. (T-S)
2. **15 min** Students read the text and answer comprehension questions. (individual)
3. **15 min** Role-play preparation: pairs plan a short pharmacy/hospital dialogue based on the text. (pairs)
4. **5 min** One or two pairs perform their dialogue for the class. (T-S)

Assessment: Teacher checks comprehension answers and monitors role-play planning.

Support: Provide a dialogue frame with gaps to complete.

Core: Students plan their own short dialogue.

Extension: Students add an unexpected problem to their dialogue (e.g. the pharmacy is closed).

Homework: Core homework: writing task w5 (note to a pharmacy).

Lesson 10 · Listening: Meeting at the Pharmacy & City Transport (40 min)

Target language: Listening for gist and detail

Materials: Audio script handouts (read aloud by teacher), Board

1. **5 min** Pre-listening: students predict what happens when two friends meet near a pharmacy. (T-S)
2. **15 min** Students listen to dialogue 1 and answer comprehension questions. (individual)
3. **15 min** Students listen to dialogue 2 (city transport interview) and answer comprehension questions. (individual)
4. **5 min** Pairs compare answers and discuss post-listening questions. (pairs)

Assessment: Teacher checks listening comprehension answers.

Support: Provide the transcript with key words underlined before listening.

Core: Students listen without transcript support.

Extension: Students write one extra question they would ask the guest speaker.

Homework: Core homework: listening follow-up reflection.

Lesson 11 · Question Tags: Form and Practice (40 min)

Target language: Question tag formation

Materials: Board, Notice sentences handout

1. **5 min** Warm-up: teacher makes statements and asks students to guess the missing tag. (T-S)
2. **10 min** Students notice the pattern in example sentences and discuss the rule. (pairs)
3. **15 min** Complete gap-fill and build exercises adding question tags. (individual)
4. **10 min** Quick-fire class drill: teacher says a statement, students respond with the correct tag. (T-S)

Assessment: Teacher checks accuracy during the drill and gap-fill review.

Support: Provide a matching exercise (statement to tag) instead of free production.

Core: Students complete the full gap-fill independently.

Extension: Students write three original statements with tags about their own routines.

Homework: Core homework: question tag gap-fill.

Lesson 12 · Question Tags: Speaking Practice (40 min)

Target language: Using question tags in discussion

Materials: Board, Discussion prompt cards

1. **5 min** Review of question tag rules with a quick oral drill. (T-S)
2. **10 min** Students prepare opinions about transportation options using prompt cards. (individual)
3. **15 min** Group discussion (Speaking task s2): students debate the best transportation option and use question tags to check opinions. (groups)
4. **10 min** Groups present their agreed choice with reasons to the class. (T-S)

Assessment: Teacher monitors group discussion for correct use of question tags and past tenses.

Support: Provide a simple table of pros/cons to support the discussion.

Core: Students discuss independently using the prompt cards.

Extension: Students prepare a one-minute presentation defending their group's choice.

Homework: Extension homework: transportation survey task.

Lesson 13 · Writing Workshop: Neighbourhood Story & Transport Comparison (40 min)

Target language: Writing using past tenses and question tags

Materials: Writing task handouts, Checklists, Board

1. **5 min** Review the plan and checklist for Writing tasks w1 and w2. (T-S)
2. **20 min** Students write their narrative (w1) or comparison paragraph (w2), choosing one task. (individual)
3. **10 min** Peer review: students exchange drafts and check the self-check checklist together. (pairs)
4. **5 min** Students revise their draft based on peer feedback. (individual)

Assessment: Teacher collects drafts and gives written feedback on tense accuracy.

Support: Provide a sentence-starter template for the chosen writing task.

Core: Students complete the task independently using the plan.

Extension: Students complete both writing tasks (w1 and w2) instead of one.

Homework: Extension homework: finish and polish the writing task.

Lesson 14 · Theme Review and Assessment (40 min)

Target language: Consolidation of theme 5 grammar, vocabulary and skills

Materials: Review worksheet, Theme test, Board

1. **10 min** Quick oral review: teacher asks mixed questions covering vocabulary, grammar and reading. (T-S)
2. **10 min** Students complete the review worksheet individually. (individual)
3. **15 min** Students complete the theme test (vocabulary, grammar, reading, listening sections). (individual)
4. **5 min** Class discussion: students reflect on which part of the theme they found easiest/hardest. (T-S)

Assessment: Teacher marks the theme test and review worksheet to assess mastery of theme 5 outcomes.

Support: Provide extra time and a word bank for the review worksheet.

Core: Students complete the review worksheet and test in the standard time.

Extension: Students who finish early write three additional question-tag questions as an extra challenge.

Homework: None — end of theme.
