| AbOnlinEnglish Upper Secondary — 10. Sınıf — Teacher Guide · Orijinal içerik, TYMM müfredatıyla uyumlu. |       |                                                            |
| ENG.10.6.W7                                                                                             |       | write comparing food traditions from two countries         |
| ENG.10.6.S1                                                                                             |       | ask and answer questions about countries and nationalities |
| ENG.10.6.S2                                                                                             |       | talk about my life experiences                             |
| ENG.10.6.S3                                                                                             |       | use question tags in conversation                          |
| ENG.10.6.S4                                                                                             |       | role-play buying food in a shop                            |
| ENG.10.6.S5                                                                                             |       | talk about my food preferences and needs                   |
| ENG.10.6.S6                                                                                             |       | give a short talk comparing food culture around the world  |

## Book alignment

|                   |                                                                                                                                                                                                             |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Theme</b>      | AbOnlinEnglish's own materials for Theme 6 cover continents, countries, nationalities, food shopping and food culture at the same topic scope as the book's Theme 6, with entirely original content.        |
| <b>Outcome</b>    | 24 original outcome statements (ENG.10.6.L1-S6) were written to match the skill focus of the book's Theme 6 without copying its official outcome wording.                                                   |
| <b>Vocabulary</b> | 24 original words on continents, nationalities and food/shopping, each with an original example sentence, matching the topic scope of Theme 6 (Ders Kitabı Theme 6) without using the book's own sentences. |
| <b>Grammar</b>    | 3 original grammar sections (Present Perfect, Countable/Uncountable Nouns, Question Tags) built from scratch with original notice sentences, rules and practice items at the level of Theme 6.              |
| <b>Reading</b>    | 2 original reading passages (180-320 words) on world cultures and food culture, written independently of the book's own reading texts.                                                                      |
| <b>Listening</b>  | 2 original listening scripts (a market dialogue and a life-experiences interview) with original transcripts, not taken from the book's audio.                                                               |
| <b>Speaking</b>   | 2 original speaking tasks (a present-perfect interview and a shopping role-play) designed around Theme 6's topics.                                                                                          |
| <b>Writing</b>    | 2 original writing tasks (a country/food paragraph and a shopping list with food preferences) with original prompts and support materials.                                                                  |
| <b>Assessment</b> | An original review set, a sectioned theme test, and homework tiers (support/core/extension) were created independently to assess the same skills and outcomes as Theme 6 of the book.                       |
