Book alignment

Theme	Original theme built around the same Future Jobs topic scope as Theme 1 (Ders Kitabı pp. 9–24), with entirely new tasks and texts.
Outcome	24 outcomes written for this theme's own topic of future jobs, appointments, and phone calls, not copied from the book.
Vocabulary	24 original words on jobs, plans, and phone calls matching the topic scope of Theme 1, taught through original example sentences, not the book's own text.
Grammar	Three original grammar sequences (be going to, will/won't, present continuous for future) covering the same structures as Theme 1, with entirely new notice sentences and practice items.
Reading	Two original reading passages about future careers and interview preparation, written specifically for this theme, not excerpted from the book.
Listening	Two original listening scripts, a phone appointment call and a future-predictions discussion, written specifically for this theme.
Speaking	Two original speaking tasks on future career plans and phone appointment role-play, designed for this theme's grammar and vocabulary.
Writing	Two original writing tasks, a future plans paragraph and an appointment confirmation note, designed for this theme's grammar and vocabulary.
Assessment	Original review, test, and homework items covering the same skill areas as Theme 1, written independently of the book's own exercises.
