Elif Wow, look at all these food stalls! What are you in the mood for?

Deniz I don't know yet. Are you trying the falafel stall first?

Elif Yes, I am! I love falafel. Do you prefer falafel or Turkish pizza?

Deniz Honestly, I prefer Turkish pizza — it's spicier. But right now I'm smelling something amazing over there.

Elif That's the sweetcorn stall. The vendor is grilling it with cream and cheese.

Deniz Let's get one to share! Then we can try the stuffed peppers stall too.

Elif Good idea. Where does that vendor buy her ingredients, do you think?

Deniz I read a sign — she says everything is homemade and local. That's why it's so tasty!

Mum What are we cooking for lunch today?

Selin I'm making the sweetcorn soup — it's my favourite, and it's really easy.

Dad I'm grilling some vegetables outside. Do you want spicy or plain, Selin?

Selin Spicy, please! Where's grandma? Is she coming to help?

Mum She's already here — she's preparing the stuffed peppers in the kitchen.

Selin Great! I love her recipe. Why does her dish always taste better than mine?

Mum Practice, I think! She's been cooking it for forty years.

Dad Well, everyone is helping today, so lunch is going to be delicious.
