GRAMMAR LESSON · FUTURE TENSES

Future Perfect Continuous

will have been doing — how long something will have been going on by a future point.

Gelecekte Süreli Olacak Eylem

QUICK UNDERSTANDING

Future perfect continuous (will have been + -ing), gelecekte belirli bir noktaya kadar bir eylemin **ne kadar süredir** devam ediyor olacağını vurgular. Future perfect'in aksine, burada önemli olan eylemin bitmiş olması değil, o ana kadar geçen SÜREDİR. Türkçedeki "... -e kadar X süredir yapıyor olacağım" ifadesinin karşılığıdır.

The Structure

Formula

Subject + will have been + V-ing (+ for/since + süre)

"will have been" hiçbir özneye göre değişmez; sadece ana fiil -ing alır.

Affirmative / Negative / Question

AFFIRMATIVE	NEGATIVE	QUESTION
Subject + will have been + V-ing I'll have been studying for six hours by 9pm.	Subject + won't have been + V-ing I won't have been studying for long by then.	Will + subject + have been + V-ing? Will you have been studying for long by then?

Word Order

Özne — will (not) have been — V-ing — for/since + süre — (by + zaman)

- By next spring, they **will have been living** here **for** ten years. — Gelecek baharda burada on yıldır yaşıyor olacaklar.
- By midnight, he **will have been driving since** 6am. — Gece yarısına kadar sabah 6'dan beri araba kullanıyor olacak.

How It Works

When do we use it?

- **Gelecekte bir noktaya kadar geçecek süreyi vurgulamak:** By June, we will have been dating for two years.
- **Bir gelecek durumun NEDENİNİ açıklamak (yorgunluk, sonuç vb.):** She'll be exhausted — she'll have been travelling for 20 hours.
- **Bir sürecin gelecekte belirli bir ana kadar ne kadar sürmüş olacağını tahmin etmek:** By the time he graduates, he will have been studying English for eight years.

When DON'T we use it?

Durum bildiren (stative) fiillerle -ing hâlini KULLANMA — know, believe, own gibi fiiller continuous yapılmaz.

✗ By then, I will have been knowing him for ten years. → ✓ By then, I will have known him for ten years.

"been" kelimesini UNUTMA — yapının olmazsa olmaz bir parçasıdır.

✗ By 2030, I will have working here for a decade. → ✓ By 2030, I will have been working here for a decade.

Short Answers

Will you have been working all day? → Yes, I will. / No, I won't.

Not: Kısa cevapta "have been" ve V-ing tekrarlanmaz, sadece will/won't kullanılır.

Türkçe Mantığı

Zihninde şu sırayla ilerle:

TÜRKÇEDE NE DEMEK İSTİYORUM? → "Aralık ayına kadar burada beş yıldır çalışıyor olacağım." → SÜREYİ Mİ VURGULUYORUM (ne kadar zamandır)? → Evet, "beş yıldır" süre vurgusu var. → HANGİ YAPI? → will have been + V-ing (working) → CÜMLE → "By December, I will have been working here for five years."

Examples

TEMEL

- By December, I will have been working at this company for three years. — Aralık ayına kadar bu şirkette üç yıldır çalışıyor olacağım.
- By the time she finishes, she will have been writing this novel for a decade. — Bitirdiğinde, bu romanı on yıldır yazıyor olacak.
- Next month, we will have been living in this flat for a year. — Gelecek ay bu dairede bir yıldır yaşıyor olacağız.

SÜRE VURGUSU (FOR/SINCE İLE)

- By 6pm, he will have been waiting for two hours. — Saat 6'ya kadar iki saattir bekliyor olacak.
- By the time the plane lands, we will have been flying for twelve hours. — Uçak inene kadar on iki saattir uçuyor olacağız.

NEDEN-SONUÇ

- She'll be really tired tonight — she'll have been running around all day. — Bu akşam çok yorgun olacak — bütün gün koşturmuş olacak.
- His English will be excellent by then — he'll have been practising every day. — O zamana kadar İngilizcesi mükemmel olacak — her gün pratik yapıyor olacak.

Compare & Notice

Compare With

Future perfect continuous (bu konu) SÜREYİ vurgular — o ana kadar ne kadar zamandır devam ettiği önemlidir. By 6pm, I will have been studying for four hours.	Future perfect TAMAMLANMAYI vurgular — eylemin bitip bitmediği önemlidir, süre değil. By 6pm, I will have finished studying.

Common Mistakes

✗ By 2030, I will have been knowing her for twenty years.	✓ By 2030, I will have known her for twenty years.
WHY? "know" durum bildiren (stative) bir fiildir, continuous yapılmaz; sade future perfect kullanılmalı.	
✗ By 9pm, I will have working for eight hours.	✓ By 9pm, I will have been working for eight hours.
WHY? "been" atlanamaz — yapı will have BEEN + V-ing şeklindedir.	
✗ By June, we will have been married since three years.	✓ By June, we will have been married for three years.
WHY? Bir SÜRE miktarı (three years) belirtilirken "for" kullanılır; "since" ise belirli bir başlangıç noktası için kullanılır (since 2021 gibi).	
✗ By 5pm, I will finish this task for three hours.	✓ By 5pm, I will have been working on this task for three hours.
WHY? Süre vurgusu ("üç saattir") verilmek isteniyorsa future perfect continuous gerekir; sade will bunu karşılamaz.
