GRAMMAR LESSON · FUTURE TENSES

Other Future Structures

be about to, be due to, be likely to, be supposed to — more ways to talk about the future.

Diğer Gelecek Yapıları

QUICK UNDERSTANDING

Will ve going to dışında, İngilizcede geleceği anlatmak için kullanılan dört önemli yapı daha vardır: **be about to** (neredeyse şu anda olacak), **be due to** (planlanmış, zamanı gelmiş), **be likely to** (muhtemelen olacak) ve **be supposed to** (olması bekleniyor/varsayılıyor). Bu dördü de "be" fiiliyle kurulur ama anlamları birbirinden farklıdır.

The Structure

Formula

be (am/is/are) + about to + V1

be + due to + V1

be + likely to + V1

be + supposed to + V1

Dördü de "be" fiiliyle çekimlenir, ardından sabit bir kalıp gelir — kalıptan sonra HER ZAMAN fiilin yalın hali (V1) kullanılır.

Affirmative / Negative / Question

AFFIRMATIVE

The bus is due to leave at 6.

He is about to sign the contract.

NEGATIVE

The bus isn't due to leave yet.

She isn't likely to come.

QUESTION

Is the bus due to leave soon?

Are you about to go out?

Word Order

Özne — be — (about/due/likely/supposed) — to — fiil (V1)

- The meeting **is about to** begin. — Toplantı neredeyse başlıyor.
- She **is likely to** get the job. — İş alması muhtemel.

How It Works

When do we use it?

- **be about to:** çok yakın gelecek, neredeyse şu anda olacak bir şey — The film is about to start.
- **be due to:** tarife, programa göre planlanmış olay — The train is due to arrive at 9.
- **be likely to:** bir tahmin, olasılık ifadesi — Prices are likely to rise next year.
- **be supposed to:** bir kurala, plana veya başkalarının beklentisine göre olması gereken şey — We are supposed to hand in the report today.

When DON'T we use it?

"be about to"yu uzak bir gelecek için KULLANMA — bu yapı sadece çok yakın anlar için kullanılır.

✗ I am about to visit my parents next month. → ✓ I am going to visit my parents next month.

"be likely to"dan sonra "that" cümlecisi KURMA — likely to doğrudan fiille birleşir.

✗ It is likely that to rain. → ✓ It is likely to rain. / It is likely that it will rain.

Short Answers

Kısa cevap her zaman "be" fiiliyle verilir: Yes, it is. / No, it isn't.

Not: "about to / due to / likely to / supposed to" kısa cevaba dahil edilmez, sadece be fiili tekrarlanır.

Türkçe Mantığı

Zihninde şu sırayla ilerle:

TÜRKÇEDE NE DEMEK İSTİYORUM? → "Uçak tam kalkmak üzere." → NE KADAR YAKIN? →

Saniyeler/dakikalar içinde → "about to" → YOKSA BİR TARİFEYE/PLANA MI BAĞLI? → "due to" (uçak 14:20'de kalkmalı) → CÜMLE → "The plane is about to take off." / "The plane is due to take off at 14:20."

Examples

BE ABOUT TO — ÇOK YAKIN GELECEK

- Hurry up, the show is about to start! — Acele et, gösteri neredeyse başlıyor!
- I think it's about to rain. — Sanırım az sonra yağmur yağacak.
- We were about to leave when the phone rang. — Tam çıkacaktık ki telefon çaldı.

BE DUE TO — PLANLANMIŞ ZAMAN

- The new bridge is due to open in March. — Yeni köprü Mart ayında açılacak (planlandığı üzere).
- Her flight is due to land at midnight. — Uçağı gece yarısı inecek.
- The results are due to be announced tomorrow. — Sonuçlar yarın açıklanacak.

BE LIKELY TO / BE SUPPOSED TO

Compare & Notice

Compare With

Be Supposed To

Bir kurala, programa veya başkalarının beklentisine göre olması gereken şeyi anlatır; bazen bu beklenti yerine getirilmez.

We are supposed to wear helmets on site.

Must (Zorunluluk)

Konuşanın kendi kararı veya güçlü, kişisel bir zorunluluğu ifade eder; "be supposed to"dan daha kesin ve daha az "dışarıdan beklenti" anlamı taşır. You must wear a helmet on this site — it's the law.

Common Mistakes

✗ I am about to go to Paris next summer.

✓ I am going to go to Paris next summer.

WHY? "about to" sadece saniyeler/dakikalar içindeki olaylar için kullanılır; "gelecek yaz" gibi uzak bir plan için "going to" veya "will" kullanılır.

✗ He are due to arrive at ten.

✓ He is due to arrive at ten.

WHY? "be" fiili özneye uyumlu çekimlenmelidir (he/she/it → is); bu yapılarda be fiilini unutmak veya yanlış çekmek çok sık yapılan bir hatadır.

✗ It is likely rain tomorrow.

✓ It is likely to rain tomorrow.

WHY? "likely" bir sıfattır ve "to + V1" ile birlikte kullanılır; "to"yu atlamak yaygın bir hatadır.

✗ We supposed to finish the project today.

✓ We are supposed to finish the project today.

WHY? "supposed" tek başına bir fiil değildir, mutlaka "be" fiiliyle birlikte kullanılır (are supposed to).

✗ The bus is due arrive at six.

✓ The bus is due to arrive at six.

WHY? "due" ile fiil arasında mutlaka "to" bulunmalıdır — due arrive değil, due TO arrive.
