GRAMMAR LESSON · PRESENT TENSES

Present Perfect vs Present Perfect Continuous

Result and quantity (have done) or process and duration (have been doing)?

Yakın Geçmiş - Yakın Geçmiş Sürekli Farkı

QUICK UNDERSTANDING

Present Perfect Simple (have/has + V3) ve Present Perfect Continuous (have/has been + V-ing), ikisi de geçmişten şimdiye uzanan bir bağlantı kurar, ama vurguladıkları şey farklıdır. **Present Perfect Simple**, bir eylemin **sonucuna ve tamamlanmasına** odaklanır — "ne kadar şey yapıldı" sorusuna cevap verir. **Present Perfect Continuous** ise **sürece, süreye ve devamlılığa** odaklanır — "ne kadar süredir yapılıyor" sorusuna cevap verir.

The Structure

Formula

Present Perfect Simple: have/has + V3 → SONUÇ / MİKTAR

Present Perfect Continuous: have/has been + V-ing → SÜREÇ / SÜRE

Bazı fiillerle (live, work, study) anlam neredeyse aynı kalır: "I've lived here for years" ☒ "I've been living here for years" — ikisi de doğaldır.

Affirmative / Negative / Question

	Present Perfect Simple	Present Perfect Continuous
Vurgu	Sonuç, tamamlanma, miktar	Süreç, süre, devamlılık
Soru kalıbı	How many/much...?	How long...?
Örnek	She has cleaned the kitchen.	She has been cleaning the kitchen.

Word Order

Miktar/sayı ifadeleri (three, a lot of, how many) genelde Simple ile; süre ifadeleri (for two hours, all day, how long) genelde Continuous ile birlikte kullanılır.

- I have written **two reports** today. — Bugün iki rapor yazdım. (sonuç/miktar)
- I have been writing **for three hours**. — Üç saattir yazıyorum. (süreç/süre)

How It Works

When do we use it?

- **Tamamlanmış bir sonuç, miktar veya sayı belirtmek için** → **Present Perfect Simple**: I've written three emails this morning.
- **Sürecin ne kadar sürdüğünü vurgulamak için** → **Present Perfect Continuous**: I've been writing emails all morning.
- **"How many/how much" sorusu** → **Present Perfect Simple**: How many pages have you written?
- **"How long" sorusu** → **Present Perfect Continuous**: How long have you been writing?
- **Kalıcı bir değişim/durum** → **genelde Present Perfect Simple**: The population has grown significantly.
- **Geçici, yorucu, iz bırakan bir aktivite** → **genelde Present Perfect Continuous**: I've been running — that's why I'm sweating.

When DON'T we use it?

Bir miktar/sayı belirtilen cümlede Continuous KULLANMA — sayı verildiğinde genelde tamamlanmış bir sonuç anlatılır, bu yüzden Simple tercih edilir.

✗ I have been reading five books this year. → ✓ I have read five books this year.

Stative fiillerle Continuous KULLANMA — know, believe, own gibi fiiller sadece Simple ile kullanılır.

✗ I have been knowing the truth for a while. → ✓ I have known the truth for a while.

Short Answers

Hızlı test: Cümlede bir SAYI ya da "tamamlandı" hissi varsa → Simple. Cümlede SÜRE ya da "hâlâ/az önce devam ediyordu" hissi varsa → Continuous.

Türkçe Mantığı

Zihninde şu sırayla ilerle:

TÜRKÇEDE NE DEMEK İSTİYORUM? → "Bahçeyi suladım, bitti" mi, yoksa "Bir saattir bahçeyi suluyorum" mu? → VURGU SONUÇTA MI (kaç tane / bitti mi), YOKSA SÜREDE Mİ (ne kadar zamandır)? → SONUÇ → Present Perfect Simple / SÜRE-SÜREÇ → Present Perfect Continuous → CÜMLE → "I have watered the garden." / "I have been watering the garden for an hour."

Examples

SONUÇ (SIMPLE) VS SÜREÇ (CONTINUOUS)

- I've cleaned my room. — Odamı temizledim. (bitti, sonuç ortada)
- I've been cleaning my room all afternoon. — Bütün öğleden sonra odamı temizliyorum. (süreç, belki bitmedi)
- He has painted two rooms so far. — Şimdiye kadar iki oda boyadı. (miktar/sonuç)
- He has been painting the walls since morning. — Sabahtan beri duvarları boyuyor. (süreç)

HOW MANY VS HOW LONG

- How many emails have you sent today? — Bugün kaç e-posta gönderdin?
- How long have you been sending emails today? — Bugün ne kadar zamandır e-posta gönderiyorsun?
- How many times has she called you? — Seni kaç kez aradı?
- How long has she been calling you? — Seni ne kadar zamandır arıyor?

İKİSİ DE DOĞAL OLABİLEN DURUMLAR

- I've worked here for eight years. — Burada sekiz yıldır çalışıyorum.

- I've been working here for eight years. — Burada sekiz yıldır çalışıyorum. (neredeyse aynı anlam)
- We've studied English since primary school. — İlkokuldan beri İngilizce öğreniyoruz.
- We've been studying English since primary school. — İlkokuldan beri İngilizce öğreniyoruz. (neredeyse aynı anlam)

Compare & Notice

Compare With

Present Perfect Simple	Present Perfect Continuous
"Ne kadar / kaç tane" — tamamlanmış sonuç ve miktar: "I've read three chapters."	"Ne kadar süredir" — devam eden süreç ve süre: "I've been reading for two hours."

Karar Şeması (Decision Guide)

SONUÇ / MİKTAR vurgusu (Simple) ↔ SÜREÇ / SÜRE vurgusu (Continuous)

Aynı gerçek olayı iki farklı açıdan anlatabilirsin: "I've painted three walls" (kaç tanesi bitti) ile "I've been painting all day" (ne kadar zamandır uğraşıyorum) — ikisi de doğru olabilir, hangisini seçtiğin neyi vurgulamak istediğine bağlıdır.

Common Mistakes

✗ I have been finishing my homework.	✓ I have finished my homework.
WHY? "finish" tamamlanma bildiren bir fiildir; sonuç/bitmişlik vurgulanırken Simple kullanılır, Continuous değil.	
✗ How long have you read that book?	✓ How long have you been reading that book?
WHY? "How long" bir süreyi sorduğu için genelde Continuous ile birlikte kullanılır.	
✗ She has been writing five letters this week.	✓ She has written five letters this week.

✗ I've been owning this car for two years.	✓ I've owned this car for two years.
WHY? "own" stativ bir fiildir, Continuous formu (owning) kullanılamaz; süre bildirse bile Simple kalır.
