My name is Zeynep, and I live with my parents, my grandparents, and my twin brother, Kaan. We are a close-knit family, so we spend a lot of time together, especially at the weekend.

On Saturday mornings, we all do chores together. My dad and I clean the kitchen, while my mum and Kaan take turns walking the dog. My grandparents look after the garden — that's their favourite hobby.

After lunch, we usually play a board game or go fishing at the lake near our house. My brother collects fishing hooks from every trip, and he is going to show his collection to our cousins next weekend.

In the evening, we sometimes visit our relatives. My aunt and uncle are coming to dinner tonight, and I think we are going to talk for hours! We don't always agree about everything, and sometimes my brother and I argue about small things, but we always support each other.
