GRAMMAR LESSON · PAST TENSES

Get used to

The process of becoming accustomed: get used to + noun / -ing.

Alışmak (Süreç)

QUICK UNDERSTANDING

Get used to, yeni ve başta yabancı/garip gelen bir duruma zamanla **alışma SÜRECİNİ** anlatır. Türkçedeki "alışıyorum", "alışmaya başladım" ifadelerinin karşılığıdır. Dikkat: buradaki "to" bir edat (preposition) gibi davranır, bu yüzden sonrasına fiil gelecekse mutlaka **-ing** hâlinde gelir, asla yalın fiil (base verb) gelmez.

The Structure

Formula

Subject + get / got / getting + used to + noun

Subject + get / got / getting + used to + V-ing

"get" normal bir fiil gibi her zamanda çekimlenir: I get used to..., I got used to..., I'm getting used to..., I've got used to...

Affirmative / Negative / Question

AFFIRMATIVE

I am getting used to + noun/-ing
She has got used to + noun/-ing
I'm getting used to my new job.

NEGATIVE

I'm not getting used to + noun/-ing
She hasn't got used to + noun/-ing
I'm not getting used to the heat yet.

QUESTION

Are you getting used to + noun/-ing?
Has she got used to + noun/-ing?
Are you getting used to city life?

Word Order

Özne — get (çekimli) — used to — isim / V-ing

- I **'m getting used to** the noise here. — Buradaki gürültüye alışıyorum.
- They **got used to** driving on the other side of the road. — Yolun diğer tarafında araba kullanmaya alıştılar.

How It Works

When do we use it?

- **Yeni bir yaşam düzenine alışırken:** He's getting used to his new schedule.
- **Yeni bir ülke/kültüre alışırken:** We got used to the cold winters after a few years.
- **Yeni bir işe/role alışırken:** I'm getting used to working from home.
- **Yeni bir yiyecek/tada alışırken:** The kids are slowly getting used to spicy food.
- **Bir eşyaya/nesneye alışırken (isim ile):** She's still getting used to her new glasses.

When DON'T we use it?

"get used to" sonrasına yalın fiil (base verb) KOYMA — "to" burada edat olduğu için fiil -ing alır.

✗ I'm getting used to drive on the left. → ✓ I'm getting used to driving on the left.

"get used to"yu geçmiş alışkanlıkla (used to) KARIŞTIRMA: ✗ I get used to play tennis every weekend as a child. → ✓ I used to play tennis every weekend as a child.

Short Answers

Kısa cevap, kullanılan zamanın yardımcı fiiline göre verilir: **Are you getting used to it? → Yes, I am. / No, I'm not. Have you got used to it? → Yes, I have. / No, I haven't.**

Not: "used to" kısmı hiçbir zaman değişmez, sadece "get" çekimlenir.

Türkçe Mantığı

Zihninde şu sırayla ilerle:

TÜRKÇEDE NE DEMEK İSTİYORUM? → "Erken kalkmaya alışıyorum." → BU BİR DEĞİŞİM Mİ, SÜREÇ Mİ? →

Evet, önce garipti, şimdi normalleşiyor. → FİİL Mİ GELECEK? → "kalkmak" fiili, "to" bir edat olduğu için -ing alır: waking up → CÜMLE → "I'm getting used to waking up early."

Common Mistakes

✗ I'm getting used to wake up early.

✓ I'm getting used to waking up early.

WHY? "to" burada bir edattır, fiili yalın hâlde değil -ing hâlinde ister.

✗ I get used to play the piano when I was young.

✓ I used to play the piano when I was young.

WHY? Burada anlatılmak istenen geçmişteki bir ALIŞKANLIK, alışma SÜRECİ değil — bu yüzden "used to" (get olmadan) kullanılmalı.

✗ I'm getting used living in a big city.

✓ I'm getting used to living in a big city.

WHY? "to" atlanamaz — yapının olmazsa olmaz bir parçasıdır.

✗ Now I am used to it, I'm still learning everything about it.

✓ I'm still getting used to it — I'm still learning everything about it.

WHY? "am used to" tamamlanmış bir durumu (artık yabancı gelmiyor) anlatır; süreç hâlâ devam ediyorsa "getting used to" kullanılmalı.
